Top 10 Reasons to Attend ATC Kindergarten:

10. Programs to fit your individual needs – 3, 4 or 5 full days a week.
9. Added Instructional Time – longer than traditional part-time kindergarten, which leads to more comprehensive instruction.
8. Special Classes – Gym, Music, Spanish and Art too!
7. Small Class Size – facilitates independent, small and whole group learning.
6. Reading – an individualized program which leads students to read with confidence.
5. Wonderful Staff – Dedicated, creative and highly qualified!
4. Confidence Boosting – as the “Big Kids” on campus, they develop self- confidence and become independent leaders!
3. Warm, caring community where friendship & learning bloom!
2. Students love to come to school – ATC Kindergarten is just plain FUN! .
1. Faith Strengthening – we share the love of Jesus every day.

Kindergarten Information Night
Tuesday, January 26, 2010
7:15 – 8:00 PM

ATC Values

- 1. Children** - As our name suggests, we believe that all children of the world are valuable, precious and uniquely created by God. Therefore we work with children in a way that uplifts and encourages them.
- 2. Early Childhood** - We believe early childhood is a distinct and critical stage of development for all children. So we embrace this journey of early childhood by intentionally crafting our classroom setup and activities to address the needs of the whole child.
- 3. Integrated Faith** - We are a Christian school that weaves faith into the classroom and curriculum. Our routines, transitions, snack times and more support the emergence of teachable faith moments. We welcome non-churched or non-religious families at ATC.
- 4. Cultural Depth** - The ability to cherish our own cultural roots, as well as learn about the cultures of those around us is a very important skill in our world. At ATC we make learning about cultures, languages and customs an ongoing occurrence.
- 5. Parents and Family** - We recognize the importance of parents and family in the development of a child. We seek to support and encourage parents in their role and offer enriching opportunities for families.
- 6. Accessibility of Staff** - We embrace our role in reflecting God's intense delight in children through quality interactions that are personal, individualized and that reflect our deep interest and sensitivity to each child.
